Short Ghost and Horror Collection 070

This year's Halloween edition of Ghost and Horror Collection features 15 stories of a wide variety in length as in content! Short and long stories; well-known names in the genre, as well as lesser known; fictional accounts, along with accounts of events that really occurred; horrors to send shivers up your spine, but also ghosts that predict your future love life; and, of course, the terrible fate that nobody can escape, death... Have a spooky Halloween!
